May 28
- ◆ **Harvest Festival**  
Oct 14
- ◆ **Let it Snow**  
Dec 9

*Spring is a time of renewal. With springtime in full bloom, we continue to wish the best for all our friends, family and neighbors.*

## Celebrating 70 Years!

A staple in the community since 1948, **Green Hills** continues to be a dedicated guardian of family and community heritage. Its' upscale and award winning facilities are surrounded by beautifully landscaped grounds on the *Palos Verdes Peninsula*, overlooking the Pacific Ocean, LA Harbor and Los Angeles skyline, all designed to provide the most peaceful and serene experience. Guests will notice a perfect balance of honoring long standing traditions and innovation to meet modern day needs. We are an energetic, passionate, family oriented team dedicated to guiding you through a Life Celebrated Perfectly.

### North Property Line Project

We are excited to share that our project to install fencing and vegetation along the North boundary is now underway. After working closely with our neighbors to select their preferred vegetation and fencing materials, we've planted trees and vegetation and have begun installing the fence. This is an exciting development that will help make our park more beautiful, tranquil and enjoyable for both visitors and nearby residents. It will also help provide our

neighbors with increased privacy. We look forward to completing this important and exciting project very soon!

### Future South Property Line Project

We've also been working closely with residents who live along the southern perimeter of the property to select vegetation and fencing options for a similar future. Just as with residents along the North property line, we've enjoyed collaborating closely with our neighbors and look forward to continuing to work together to ensure that our beautiful park best serves the needs of both our visitors and neighbors.

### RPV Planning Director Approved

Alta Vista - installation of 44 lawn crypts and 3' walls. This small development will consist of Family Estates and Private Gardens, located in Area 2. The construction will require 424yds of balanced onsite grading.

## Easter Sunrise Service

Last month, Green Hills was proud to host our 70<sup>th</sup> Easter Sunrise Service. This cornerstone annual event drew community members from around the South Bay to celebrate a peaceful, beautiful morning of worship. The program included music from the Bethany Christian Fellowship Worship Band, a welcome from Pastors Tony & Vanessa Lopez of Alive Church, San Pedro, prayers from John Ryan of the San Pedro Prayer Walk, an offering appeal by Pastor Scott Elliott of ICAN, California Abilities Network, an offertory song from Wanda Bures of the Bethany Christian Fellowship and a benediction from Pastor Nathan Huff of Trinity Lutheran, San Pedro. Most Reverend Joseph M. Sartoris, DD, delivered the Easter message.

The event was a beautiful celebration of faith that welcomed the entire community to worship as the sun rose over Green Hills, casting an ethereal light over the entire park and illuminating views of the Pacific Ocean. We are honored and proud to have hosted another successful Easter Sunrise Service and look forward to continuing the tradition for many years to come.

## Memorial Day Observance

It's almost that time of year – Green Hills' 33<sup>rd</sup> annual Memorial Day observance will be held on Monday, May 28, 2018 at 10:00 am. More than 4,000 people, including members of the

community, veterans, servicemembers and a number of elected officials representing the South Bay will gather at Green Hills to pay tribute to the men and women who have lost their lives in defense of the United States of America at one of the nation's best-attended observances, and the largest of its kind in the Southland.

The program will be filled with the sights and sounds of patriotism featuring live music, skydivers, flyovers and a color guard procession as John E. Wissler, Lieutenant General, US Marine Corps, Retired provides the Keynote Address.

Green Hills is incredibly proud to continue this important tradition, and to honor our nation's lost servicemembers in respectful remembrance. We hope to see you and your loved ones there!
