However, Section 17.02.030.B.1.g of the RPVMC requires a finding of “Neighborhood Compatibility” for the new residence. In making such a finding, the City will review the proposed project relative to the following criteria for the immediate neighborhood: 1) scale of surrounding residences; 2) architectural style and materials; and 3) front, side, and rear yard setbacks.

The reason you are receiving this notice is because your property is located within 500 feet of the proposed project. A temporary frame structure (silhouette) has been constructed on the project site outlining the height and bulk of the proposed project. This frame will be in place throughout the duration of the public comment period to better assist you and the City in assessing any potential project impacts.

If you have any comments or concerns about the proposed project, please communicate those thoughts in writing to Senior Planner, Amy Seeraty, by **5:30 pm on Monday, November 21, 2022**. By doing so, you will ensure that your comments are taken into consideration for the staff analysis of the project. Please note that written materials, including emails, submitted to the City are public records and may be posted on the City's website. Accordingly, you may wish to omit personal information from your written materials as it may become part of the public record. Only those who have submitted written comments will receive notification of the decision. The Director's decision may then be appealed, in writing, to the Planning Commission.

If you would like the opportunity to review the application package and the proposed plans, they are on file in the Community Development Department at 30940 Hawthorne Boulevard, Rancho Palos Verdes, and are available for review by appointment from 7:30 a.m. to 5:30 p.m. Monday through Thursday, and from 7:30 a.m. to 4:30 p.m. Friday. **Please note that City Hall will be closed on Monday, November 11, 2022, in observance of the Veterans Day Holiday.**
