

November 10, 2022

**NOTICE**

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Rancho Palos Verdes will conduct a public hearing on Tuesday, December 13, 2022, at 7:00 p.m. The meeting will take place remotely in accordance with Government Code Section 54953(e) et seq. (AB 361), and pursuant to Resolution No. 2022-52, as adopted on September 22, 2022, and as renewed by subsequent resolution(s) thereafter. The meeting will be conducted through a \*hybrid combination of in-person and/or all virtual attendance of the seven members of the Planning Commission and invited staff at Hesse Park, McTaggart Hall, 29301 Hawthorne Boulevard and via teleconference using the Zoom platform and broadcast live on the City's website at [rpvca.gov/agendas](http://rpvca.gov/agendas) and on PVPTv channels Cox 35 and Frontier FiberOptic 39. Public participation is highly encouraged using the virtual platform as there will be very limited seating (with a combined total of 25 people between two rooms) at Hesse Park. The Planning Commission will consider the following:

**HEIGHT VARIATION PERMIT AND SITE PLAN REVIEW (CASE NO. PLHV2021-0011)** – A request to allow the following improvements:

- Construction of a 566 ft<sup>2</sup> addition to an existing 2,902 ft<sup>2</sup> two-story residence, consisting of 114 ft<sup>2</sup> to the first floor and 452 ft<sup>2</sup> to the second floor, resulting in a new total structure size of 3,468 ft<sup>2</sup> (garage included); and
- Construction of ancillary site improvements including two new air conditioning units, an outdoor kitchen, a 609 ft<sup>2</sup> covered patio and balcony above with a 106 ft<sup>2</sup> trellis on the ground level and steps along the rear façade, a 54 ft<sup>2</sup> covered front porch, and a 71 ft<sup>2</sup> balcony along the front façade.

The height of the proposed residence will be 21.74 feet, as measured from highest elevation of the existing grade covered by the structure (elev. 302.66 feet) to the highest proposed roof ridgeline (elev. 324.40 feet); and an overall height of 22.66 feet, as measured from lowest finished grade adjacent to the structure (elev. 301.74 feet) to the highest proposed roof ridgeline (elev. 324.40 feet).

**LOCATION:** **3553 SEAGLEN DRIVE**

**APPLICANT:** **JURE SESTICH**

**LANDOWNER:** **DANIEL PREBANDA**

This project is categorically exempt pursuant to California Environmental Quality Act, Article 19, Section 15301 (Existing Facilities).

The Height Variation Permit procedure is for the construction of residential structures taller than the 16 feet/20 feet building height envelope on pad lots, as illustrated in §17.020.040 of the

Rancho Palos Verdes Municipal Code (RPVMC) (as amended by Proposition M). The City's primary concerns in reviewing a Height Variation Permit are the impact of the structure on the views from neighboring properties and from public areas, its cumulative impact on the affected properties, and compatibility of the proposed structure with existing surrounding uses (see RPVMC §17.02.040). RPVMC §17.02.030(B) requires a finding of "Neighborhood Compatibility" for the proposed first and second story additions. In making such a finding, the City will review the proposed project relative to the following criteria for the immediate neighborhood: 1) scale of surrounding residences; 2) architectural style and materials; and 3) front, side, and rear yard setbacks. Additionally, §17.02.030.D(4)(a) of the RPVMC requires a privacy finding for the proposed balconies.

The reason you are receiving this notice is because your property is located within 500 feet of the proposed project. A temporary frame structure (silhouette) has been constructed on the project site outlining the height and bulk of the proposed residence. This frame will be in place throughout the duration of the public comment period to better assist you and the City in assessing any potential project impacts.

If you have any comments or concerns about the proposed project, please communicate those thoughts in writing to Senior Planner, Jaehee Yoon, via e-mail at [jyoon@rpvca.gov](mailto:jyoon@rpvca.gov) by noon on Tuesday, December 6, 2022. By doing so, you will ensure that your comments are included in the Staff Report. Written comments submitted after noon, on Tuesday, December 6, 2022, will be given to the Planning Commission on the night of the meeting. Please note that written materials, including emails, submitted to the City are public records and may be posted on the City's website. Accordingly, you may wish to omit personal information from your written materials as it may become part of the public record. In addition, this virtual City meeting will be televised and can be accessed through the City's website.

If you would like the opportunity to review application materials, the information is on file in the Community Development Department at 30940 Hawthorne Boulevard, Rancho Palos Verdes, and is available for review from 7:30 a.m. to 5:30 p.m. Monday through Thursday, and from 7:30 a.m. to 4:30 p.m. Friday. **Please note that City Hall will be closed on Friday, November 11, 2022, in observance of the Veterans Day holiday as well as Thursday, November 24, 2022, and Friday, November 25, 2022 in observance of the Thanksgiving holiday.**

The final staff report will be available on the City's website, <https://ca-ranchopalosverdes2.civicplus.com/772/City-Meeting-Video-and-Agendas>, on Thursday, December 8, 2022 under Planning Commission Agenda.

If you have any questions regarding this application, please contact Jaehee Yoon at (310) 544-5224 or via email at [jyoon@rpvca.gov](mailto:jyoon@rpvca.gov) for further information.

  
for

Ken Rukavina, PE,  
Director of Community Development
