About REACH

REACH began in 1977 as a pilot therapeutic day camp for youth, ages 7 – 18, with developmental disabilities. We've been operating on the Palos Verdes Peninsula for 44 years now! REACH is currently a recreation program that helps young adults transition towards social independence outside of school, the "work" day program, and family structure through exciting recreational activities.

The REACH Program is coordinated by the Rancho Palos Verdes Recreation and Parks Department.

What's Inside...

- Event Descriptions
- Event Calendars

June 12th

I don't know about you, but I sure am looking forward to Spring this year. After a cold winter with lots of rain, beautiful blooms will be bountiful! Having friends at the REACH program made winter much easier to get through. Now that we have that behind us, let's look forward to warm weather.

Longer days on the horizon means more time we get to spend outdoors! Many of our upcoming activities will encourage our participants to get outside and enjoy all of the beauty that Spring has to offer. Get ready for lots of physical activity and opportunities to socialize with friends new and old!

I hope you are able to join us for all of the fun!
