

## **SUBJECT: PHOTO QUALIFICATION FOR VIEW PRESERVATION**

Staff uses the following criteria to qualify photos as a documentation of view photograph:

1. Photograph is an accurate depiction of the view; and
2. Photograph depicts an unobstructed view over the property where the foliage currently impairs a view; and
3. Photograph can be verified to have been taken on or after November 17, 1989; and
4. Photograph is taken from the viewing area; and
5. Photograph is taken from a standing position.
