**NOTICE**

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Rancho Palos Verdes will conduct a public hearing on April 9, 2024, at 7:00 p.m.

The meeting will take place in accordance with the requirements of the Ralph M. Brown Act, Section 54950 et seq. of the Government Code. Remote participation by any Committee/Commission member shall be in accordance with Subdivisions (b)(3) or (f) of Government Code Section 54953. The meetings are held at Hesse Park, McTaggart Hall, 29301 Hawthorne Boulevard and/or via teleconference for staff/consultants/participants using the Zoom platform and broadcast live on the City's website at [rpvca.gov/agendas](http://rpvca.gov/agendas) and on PVPtv channels Cox 35 and Frontier FiberOptic 39. Public participation will be in person and using the virtual platform. The Planning Commission will consider the following proposed project:

**HEIGHT VARIATION PERMIT AND SITE PLAN REVIEW (CASE NO. PLHV2023-0005)** – A request for the following improvements:

- Construct a 1,470 ft<sup>2</sup> second-story addition to an existing 2,290 ft<sup>2</sup> single-story residence (garage included), and reduce the first-story floor area by 10 ft<sup>2</sup> for a new total structure size of 3,750 ft<sup>2</sup> (garage included); and
- Construct ancillary improvements including a 152 ft<sup>2</sup> balcony, hardscape/landscape improvements, and exterior remodel of residence.

The proposed project will measure 23.94 feet, as measured from the lowest finished grade covered by structure (elev. 517.22 feet) to the highest roof ridgeline (elev. 541.16 feet); and a height of 23.66 feet as measured from the highest elevation of the existing grade covered by the structure (517.50 feet) to the highest roof ridgeline (elev. 541.16 feet).

**LOCATION:** 2131 W SUMMERLAND STREET

**APPLICANT:** ROZANNA FOJAS

**LANDOWNER:** KENECHI AND JANE AGU

This project is categorically exempt pursuant to California Environmental Quality Act, Section 15301 (Existing Facilities).

The Height Variation procedure is for the construction of additions to existing residential structures taller than 16 feet, but not to exceed the maximum height of 26 feet when measured as defined in Section 17.020.040 of the Municipal Code (as amended by Proposition M). The City's primary concerns in reviewing a Height Variation are the impact of the structure on the views from neighboring properties and from public areas, its cumulative impact on the affected properties, and compatibility of the proposed structure with existing surrounding uses (see Municipal Code

Section 17.02.040). RPVMC Section 17.02.030.B requires a finding of "Neighborhood Compatibility" for the proposed first and second story additions. In making such a finding, the City will review the proposed project relative to the following criteria for the immediate neighborhood: 1) scale of surrounding residences; 2) architectural style and materials; and 3) front, side, and rear yard setbacks.

The reason you are receiving this notice is because your property is located within 500 feet of the proposed project. A temporary frame structure (silhouette) has been constructed on the project site outlining the height and bulk of the proposed project. This frame will be in place throughout the duration of the public comment period to better assist you and the City in assessing any potential project impacts.

If you have any comments or concerns about the proposed project, please communicate those thoughts in writing to Assistant Planner, Jeffrey Kim, via e-mail at [jkim@rpvca.gov](mailto:jkim@rpvca.gov) by noon on Tuesday, April 2, 2024. By doing so, you will ensure that your comments are included in the Staff Report. Written comments submitted after noon, on Tuesday, April 2, 2024, will be given to the Planning Commission on the night of the meeting. Please note that written materials, including emails, submitted to the City are public records and may be posted on the City's website. Accordingly, you may wish to omit personal information from your written materials as it may become part of the public record. In addition, this virtual City meeting will be televised and can be accessed through the City's website.

If you would like the opportunity to review the application package and the proposed plans, they are on file in the Community Development Department at 30940 Hawthorne Boulevard, Rancho Palos Verdes, and are available for review by appointment from 7:30 a.m. to 5:30 p.m. Monday through Thursday, and from 7:30 a.m. to 4:30 p.m. Friday.

The final staff report will be available on the City's website, <https://ca-ranchopalosverdes2.civicplus.com/772/City-Meeting-Video-and-Agendas>, on Thursday, April 4, 2023 under Planning Commission Agenda.

If you have any questions regarding this application or to view the project plans, please contact Jeffrey Kim at (310) 544-5390 or via email at [jkim@rpvca.gov](mailto:jkim@rpvca.gov).
