

## **TRAFFIC SAFETY ADVISORY COMMITTEE ADVISORY BOARD ACCOPLISHMENTS AND WORK PLAN**

### **MISSION STATEMENT**

The mission of the Traffic Safety Committee (TSC) is to provide community input by advising the City Council on traffic issues, development proposals and special projects as assigned by the City Council. The TSC reviews and advises on neighborhood traffic calming guidelines and proposed projects, and collaboratively work with Staff to address residents' requests for improving livability and drivability of neighborhood streets in Rancho Palos Verdes. (Resolution No. 2008-77)

### **PAST SIX MONTHS ACCOMPLISHMENTS**

During Fiscal Year 2024-25, the TSC continued to implement its mission, with emphasis upon the following goals:

1. Review and assess any item requested by residents, members of the City Council, Traffic Safety Committee, and City Staff.
2. Explore possible means, options, and opportunities to control or reduce vehicular traffic speeds throughout Rancho Palos Verdes.
3. Establish and participate in community and stakeholder workshops to solicit both general and neighborhood-specific comments related to traffic concerns.
4. Establish and participate in community and stakeholder workshops to solicit both general and neighborhood-specific comments related to traffic concerns.
5. Review ongoing and pending traffic studies status via monthly reports provided by Staff.
6. Develop a methodology for TSC to receive and prioritize future traffic requests with the Public Works Department to study and evaluate current traffic requests.

Below is a list of TSC's accomplishments in Q3 and Q4 of Fiscal Year 2024-2025:

1. Provided recommendations on the implementation of traffic safety improvement measures recommended in the General Technologies and Solutions report titled "Traffic Safety Study Palos Verdes Drive East and Ganado Drive".

2. Discussed a feasibility study to investigate intersection improvements regarding safety and enhanced traffic flow along Palos Verdes Drive South at Forrestal Drive, Conqueror Drive, and Schooner Drive.

## **FY2025-2026 WORK PLAN**

<b>Assignment</b>	<b>No.</b>	<b>Potential Meeting Date</b>	<b>Staff Support Hours</b>
Review and assess any item requested by residents, members of the City Council, Traffic Safety Committee, and City Staff.	1	July 2025 - June 2026	Dependent upon the number of requests.
Explore possible means, options, and opportunities to control or reduce vehicular traffic speeds throughout Rancho Palos Verdes.	2	July 2025 - June 2026	Dependent upon the scope of the project.
Establish and participate in community and stakeholder workshops to solicit both general and neighborhood-specific comments related to traffic concerns.	3	July 2025 - June 2026	Dependent upon the number of requests.

Revise the methodology for TSC to receive and prioritize future traffic requests with the Public Works Department to study and evaluate current traffic requests.	6	July 2025 - June 2026	12 months

## **RECOMMENDATIONS TO THE CITY COUNCIL**

As an advisory body, the TSC has the ability to bring comments, ideas, and recommendations to the City Council for consideration. If a majority of Committee members are in agreement and have voted accordingly to move the topic forward, Staff will work to agendize the matter on the City Council's calendar. The Chair of the Committee, or his/her designee, will present the item before the City Council at the

meeting. Staff will be available to assist the Committee on preparing the staff report and related materials for the agenda.
