

**THE RANCHO PALOS VERDES  
EMERGENCY PREPAREDNESS COMMITTEE  
PRESENTS:**

***The Beauty***

***The Beast***

***and***

Please take a moment to consider this:

- Are you prepared for a disaster?
- Do you know what to do when disaster strikes?
- Do you know how to recover from a disaster?

These questions, and more, can be answered by the City's Rancho Palos Verdes Emergency Preparedness Committee (EPC) in an interactive and informative session that can be brought to you! The members of the EPC are now taking requests to share their "Beauty and the Beast" presentation at scheduled Rancho Palos Verdes Homeowner Association (HOA) and other similar community meetings. This new program offers an interactive and practical approach designed to familiarize residents with preparing for, responding to, and recovering from natural and/or human-made disasters. Presentations can be customized in length and content to your group's particular needs and interests.

If you are the President of an HOA or leader of another community group, and would like more information, please contact City staff at (310) 544-5209 or [tracyb@rpvca.gov](mailto:tracyb@rpvca.gov)
